Architectural Drafting: Procedures & Processes: Amazon.co ...

Architectural Drafting Procedures And Processes An architectural drawing or architect's drawing is a technical drawing of a building (or building project) that falls within the definition of architecture. Architectural drawings are used by architects

Architectural Drafting Procedures And Processes

First, let's consider that procedure drafting is somewhat unique from the other two stages, particularly in terms of seeing stages of the writing process as consisting of activities in which writers engage to successfully produce a piece of writing (in our case, writing a procedure). Procedure drafting is, pretty much, a single activity; that of putting words on a page. We can, however ...
