Fundations Letter Cards - ABC's

When you put a motion with each sound they have something tangible to go with the sound of the letter and the visual of the letter. When your child gets stumped on a letter sound you can use the kinesthetic motion (without saying the sound) as a clue to help them jog their memory as to what the sound is.

The WRS Letter-Sound (Grapheme-Phoneme) Cards are one of the primary tools that teachers use to introduce and practice sound/symbol associations and to teach reading and spelling concepts. The color-coded cards add an essential multisensory component to the way word structure is taught and reinforced.
