January 22, 2019 00:00 If you've had an offer accepted on a property, then the next stage in the buying process is to establish whether you need a ...

What your property surveyor will do | PrimeLocation

All too often the survey shows that you and your neighbors were operating under the wrong assumption about the placement of the boundary line between your properties. Before you have that fence erected, you want to make sure it will be built on your property, not your neighbor's. The boundary line certification will also tell you whether the legal description of your property is accurate.

Top 10 Reasons to Have Your Property Surveyed - FindLaw

Understanding your land survey. Land surveys can be complex documents. A lay person may be overwhelmed by all the text, lines and symbols presented on a survey plat. This document is intended to help the average person understand how to interpret the information provided on a typical land survey. Symbols. Symbols on a drawing can represent anything that the drafter chooses. There is no ...
