Have you ever seen someone do something that you know was wrong but were too afraid to tell them? For instance.... let's say you know a good bit about car seats and you see a lady in the Wal-Mart parking lot that has her child in a forward facing car seat and you know that child should still be rear facing and buckled in properly.

Why Didn't Somebody Tell Me

Hi gang: Did some errands this morning and returned home, proceeded to take off my jacket, when what did I discover? Well it appeared I had a dryer sheet sticking to the back of my jacket. LOL (Those buggers really like to stick) I had no idea it was there, and not a single person told me about i...

I've been rounding square plug and bolt heads using crescent adjustable, open end, box end wrenches and 8 and 12 point sockets for sixty years. Why didn't anybody tell me about this: Take 2 sockets of the same size and matching a long nut used for connecting ready rod and available at any hardware store. In my example I used two 7/16 sockets ...

This is a speech I gave to Engineering Institute of Technology (EIT) graduates on November 23, 2018. My educational journey From reading about EIT and reviewing some of your award applications, I'm extremely proud to join you in this important graduation ceremony. My own education journey was something of rocky road. I had a severe car [...]
